

# Valkyrie

*Elegant Entrance.....*

*From Mythology  
to Reality*

*Sophisticated Exit.....*

*Finally an  
"All-Purpose Vehicle"  
at a  
VERY AFFORDABLE  
cost...*

*For the discerning funeral director whose business warrants a distinctive professional vehicle without the 'big name' brand insignia and investment. A full service unit fulfilling all duties and big enough to carry all loads with the dignity the profession and the public deserves.*

*Please contact your authorized dealer:*

# Valkyrie "APV"

*An economical professional vehicle with numerous uses.  
Built on the Dodge Grand Caravan chassis stretched to give you more usable  
interior room than any other professional vehicle.*

## **Standard Features:**

*Air Conditioning  
Power Steering  
Power Windows  
Power Locks with Remote  
Cruise Control  
Tilt Steering  
AM/FM/CD  
Overhead Controls  
3.6 L DOHC, 24 Valve V6  
Front & Side Airbags

*See Additional Extra Cost Options*  
*Listed on Page 4.*

# Valkyrie “300”

*A more luxurious professional vehicle for the funeral director modernizing the fleet to today’s changing funeral customs and built on the outstanding Chrysler Town & Country platform.*

*Handcrafted interiors reflect our commitment to excellence.*

*A steel roll bar styled front partition protects the driver’s compartment from the casket in the event of an accident. Safety is always our priority and our vehicles meet or exceed all Canadian and USA motor vehicle safety standards.*
